Friends for Tim Echols for Georgia Public Service Commission
P.O. Box 80008
Athens, GA 30608

Dear Tim,

The Campaign for Working Families (CWF) exists for the express purpose of supporting candidates who will proudly promote conservative values, such as the defense of the traditional family, the sanctity of human life and the promotion of individual liberty and free enterprise. That is why I am proud to endorse your candidacy for Georgia Public Service Commission.

You have been an unapologetic champion of the time-honored values that Georgia voters cherish. Your dedication to teaching these values to future generations is a tremendous witness of your servant leadership and desire to see America thrive.

As we witness the socialist experiment in Europe come crashing down, now is the time for patriots in America to stand up and fight for the values that made this nation a global superpower. Now more than ever, we need genuine servant leaders, like you, in public office. Thank you, Tim, for standing in the gap.

Your tireless efforts in support of pro-family, pro-life and pro-free enterprise policies are greatly valued by CWF and all of our members. I'm proud to stand with you!

Best of luck and I look forward to continuing to work with you in the future.

Sincerely,
